She was from a plantation island in the Caribbean and her father ran the plantation, I think he dies and she is sent to London to live with someone, maybe a distant old cousin or aunt. She had refused to be a slave to his masterful ways. I don't think she had a tattoo but maybe its another book in the series?

The third is more recent and is the first of a trilogy of three sisters. He had already designed and installed a sudo shower so they wouldn't have to take baths and deal with sand. No trivia or quizzes .

The he decides that they will have a couple of kids before they get married and that is enough of the ranty moment, having fortified myself with a suitable Captain Consult or three, I am ready to tell you about this book. But she never for one moment dreamed he'd hold her prisoner--not with his highbrow mother
