Rosenfeld D. Faimberg e L. Its lines are conceived in remote and anonymous hotel rooms; they bring to light experiences and voices with which we are not familiar, but the clear will of the poet helps them to reach us, or, more properly, lets us know that he was in a specific place at a precise moment. ExploringTranslationTheories.Aarqueologiadequefalamosseorganizapa Calquing is thus often the easiest way to fill a semantic void, as this Arabic science translator asserts: As science and technology develop, new English words used to express new concepts, techniques and inventions come into existence [...].
