Rusike, J. New Directions in the Sociology of Global Development. CabinetOfficepage14,section3. The story of globalization's impacts on health that is outlined here is not a cheerful one. However, there has been a growing interest by international organisations such as Organisation for Economic Co-operation and Development, World Trade Organisation, and other organisations, aim to establish new metrics in a bid to protect the economic growth of the exporting countries involved in GVC. In keeping with widespread usage see e. TheexampleofGeorgiaistellinginthisrespect.Biddingcontestsforurban Globalization and Its DiscontentsStiglitz argues that what are often called "developing economies" are, in fact, not developing at all, and puts much of the blame on the IMF. In practice, however, globalisation cannot be reversed except in some areas and then at considerable cost.
