But there is treachery in every corner, and if he hopes to untangle the lies of the present, Demetrius will first have to face the shadows of his past I think Mead plotted this series beautifully, and there is a very romantic story arc running throughout the books. My old opinion still stands, so I'm just going to copy and paste my review from last year below: Review An overlooked, entertaining, and scathing look at the hypocrisies and classism of mid-Victorian upper-class society.
