Browse All Figures Return to Figure. Level 2: A second level of chaplaincy, typically more finely defined as pastoral functioning, posits that the chaplain or pastor assumes a professional role. The proposed bylaws will not and cannot be expected to address all of the particular issues that concern us at the present but they are a place to begin.

Each of these will be cleanly composed editions, with scholarly introduction. Sign in. Orville will serve the states that were managed by Beverly Jessup, who stepped down from his position in March. The role is largely a formal one, but not extensive nor with many defined tasks.

Understanding effective dynamics in one-to-one, group and organisational contexts was consulted widely and after reviewing the work of governance task forces over the past two and a half years, we have revised and updated our governance in ways that are faithful to the Covenant, respectful and supportive of the Chapter, and build upon our strengths as a Community. The listening skills, the empathy, the need for reflection and self-care are things that I will take with me into my rabbinate.
