Like the the human soul, the justice will be achieved in a state when each class fulfils their respective functions. Security needs are met by the military class, and political leadership is provided by the philosopher-kings. Reprinted in Wagner— The conviction encourages individual to fight against injustice and irrationality. He is not an isolated self, but part of the whole order and the order is the ideal state. Plato believes that conflicting interests of different parts of society can be harmonized. Miller, Jr. In the timocracy, for example, nothing checks the rulers from taking money to be a badge of honor and feeding their appetites, which grow in private until they cannot be hidden anymore. This is not to say that the first city is a mistake.
