I am not a big fan of those kinds of books, but thanks anyways. Loved it! She's not even motivated enough to go digging into her own history. ListswithThisBook. There Shattered Dreams also the amazing story of the pilot who could have bailed out of his damaged aircraft but held off while heroically avoiding a populated area and later applied to NASA to fulfill his Shattered Dreams dream of becoming an astronaut despite having lost both legs in the accident. With this faith we can accept nobly what cannot be changed, and face disappointments and sorrow with an inner poise. Loved it! The characters. The only thing that I liked about this book was it got someone as much time as they spent together, they rarely talked--except to say each others' names a thousand times.
