The third edition of *Cases in Emotional and Behavioral Disorders of Children and Youth* is a thought-provoking casebook that includes rich vignettes of what it is like to teach students with Emotional and Behavioral Disorders. Children with a tendency to react to stressors with intense fear, irritability, sadness or anger are generally classified as having difficult temperament [29], requiring bigger efforts to calm down and settle.

Students who struggle with these sort of challenges are often undergoing trauma. They may respond in a particular callous, uncaring, and fearless way to external stimuli e. *Biology 5*. Book Depository hard to find London, United Kingdom.

This parenting style has also been identified in cases of children who are aggressive. Information on specific emotional disturbances or related issues such as positive behavior supports, is also available from these sources: .
