Sophie has had more than 50 novels published Moonlight And Ashes Australia and internationally, mostly for young adults and children, but also for adults, including the internationally-selling Forest of Dreams adult fantasy trilogy based on the life and work of the medieval French writer Marie de France. Never the less, a sweet story that I enjoyed very. Very promising. CraigSmith,KatzCowley. This book certainly gave a great insight in Moonlight And Ashes how things were during the war and all the time I kept hoping that their houses and the people in them were safe but unfortunately that wasn't to be. Would recommend. A lovely heart warming book A lovely storyline with a mixture of romance and heartache.
