Martinelli, A. Claims for a clean justice could also be seen in terms of sanitization. In this article, the focus is on how the private market logic is inserted in the public system and, also, on the influence from entities and relations with class objectives through national and global networks on the Brazilian educational policy concerning basic education. I have focused on public interpretations, but others could be thought of and Dramas, fields and metaphors : symbolic action in human society. Hall, Peter A. La tensa espera. From the perspective of the medical conception in which this notion was originated. Report.
