In The Brave Blue Line Dick Kirby, the former Scotland Yard
detective turned popular crime author, has brought together a
superb collection of inspiring stories of police gallantry
over the last hundred years. Before Dick attracted little media
attention, but became well known as having been the officer in
command of the operation which led to the fatal shooting of
Jean Charles de Menezes. Like the ribbons used for other
classes of the Order of the British Empire, the ribbon of the
British Empire Medal is rose-pink with pearl-grey edges, with
the addition of a pearl-grey central stripe for the military
division.
