For me, this was the first Glen Cook book I read. Good characters, little different take on magic.

I kept hoping the story would take off but I felt like I was treading water. From The Sword Bearer falls more along the insightful lines. I find there are so many non-fiction books, where am I to find time to read fiction? I liked this a lot.

Good book. Entertaining in any event. That they are just dreams after all. I've said it before, but you can really see how Glen Cook has some themes that he likes and revisits in many of his novels.
