The book contains a brief introduction by L. It's important to note that despite all of Lovecraft's efforts to explain the fictional status of this work, there are a number of people who swear up and down that it is in fact a real grimoire, full of rituals and spells designed to call up demons and evil spirits. Pickman from his story " Pickman's Model " owned a Greek translation of the text, but it vanished along with the artist in early
