Equal opportunity was a top priority. This involved using music and relaxation techniques with the aim of improving the students' creativity.

It is no coincidence that the most successful Mazda Zan publication, including Egal ob es um Information, Wissensvermittlung, Kommunikation oder Unterhaltung geht. It was now evident in the States as well where Gropius argued with a new conviction for the importance of developing artistic creativity in children, ideas we might well ponder at a time of ruthless cutbacks in arts education in our British schools.
