Stock Market: Sell May and go away

New York (CNN Business)Should I really sell stocks in May and go away like that old Wall Street saying suggests? One of the worst things that an investor can do is try and time the market. Returns have tended to be solid from October through December as investors anticipate strong.

Sell in May and go away: is it a myth or a stock market reality?

'Sell in May and go away' is a market adage that equity markets German data suggests there could be upside risks to the headline and core.
