Contrast my being healthy or flourishing. Both the virtuous adult and the nice child have good intentions, but the child is much more prone to mess things up because he is ignorant of what he needs to know in order to do what he intends. Different virtues are concerned with different fields. Murray Longmore. Selected topics such as genetic engineering, euthanasia, honesty with the dying and human experimentation viewed from perspective of representative ethical theories. In others, it designates an action that is commendable even if not the best possible. Carla Bagnoli - - LED. Several philosophy units are offered in inflexible mode. Someone who is generous, honest, compassionate, and courageous might not be a morally good person—or, if it is still held to be a truism that they are, then morally good people may be led by what makes them morally good to act wrongly!
