Then half way across, decide to turn. Karma is catching up. My vision widened that day, and I could begin to see the trap that lay ahead for most people.

But for some reason, I was now thankful I had decided to work for 10 cents an hour.

The point is this: Today we live in times of greater and faster change than these men did. Now 2 oldest banks have merged in Saudi in Oct

His educated dad encouraged Robert to be a smart person. Hi Mark... Soon, there will be such a horrifying gap between the rich and the poor that chaos will break out and another great civilization will collapse.
